# Assignment 0

- Email me 5 paper choices ([nsp@cs.cmu.edu](mailto:nsp@cs.cmu.edu))
- Due Saturday, Jan 18th
- Guidelines:
  - published in 2019 (with some exceptions!)
  - relevant to Technical Animation
- You will present one of these papers in class
- First come, first served, so get me your choices early!
- Detailed guidelines are available on the course webpages

# What else you can do this week

- Start your blog!
- Email me a pointer to your blog page (Due Sat. Jan 18)
- Use any blogging tool you like or simply host a web page anywhere
- Guidelines:
  - One blog entry per class
  - A short paragraph is sufficient
  - Include your thoughts/observations/comments
  - Your blog can be private or public, as you like. (Just make sure I have access :)
- Our course material ranges over many articles and other sources, and your blog can help to tie it together into your personal package of notes. I use the feedback that you give me in this blog to improve my future lectures.
